

Carroll 2030  
Timeline

January 18	SWOT analysis of Carroll County by Carroll 2030 Committee.
Jan – April	Cluster representatives do similar SWOT analysis with their community of service.
<b>April 19</b>	Clusters present their information/ideas to the Carroll 2030 Committee (we will provide template for this). We'll look for partnership opportunities/realignments; discuss next steps; review the document template and discuss the support Clusters will need to prepare written plans.
<b>July 19</b>	Clusters present first draft of written vision document to Carroll 2030 Committee. Discussion about what we still need to add.
<b>August 16</b>	Clusters present second draft of compiled document to Carroll 2030 <b>Committee. (Library staff will do layout and print draft copies for review.) Discussion</b> about changes/additional information needed.
<b>October 1</b>	Changes/additional information are given to Framework Committee for compiling into document.
<b>October 18</b>	Framework committee reviews final draft with Carroll 2030 Committee and gets feedback for final changes.
<b>November 1</b>	Final Draft document is given to Commissioner Howard (which will allow time for changes based on his input).
November 15	Carroll 2030 Committee meets to prepare for presentation to Commissioners.
<b>January 2014</b>	Carroll 2030 Document presented to the Commissioners.
